ARTICLE XVI – COMPLIANCE AND DURATION CLAUSES

This Agreement constitutes the entire agreement between the parties, and concludes collective bargaining for its term.

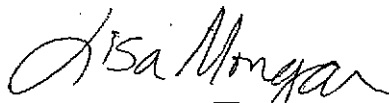

The Parties acknowledge that during the negotiations which result in the Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understanding and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this agreement.

Therefore, the School District and the Association, for the life of this Agreement, each voluntarily and unqualifiedly waives any right which might otherwise exist under law to negotiate over any matter during the term of this agreement, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to, or covered in, this Agreement or with respect to any subject or matter not specifically referred to or covered in this Agreement, even though each subject or matter may not have been within the knowledge or contemplation or either of both of the parties at the time that they negotiated or signed this Agreement. Both parties, by mutual agreement, may modify and amend said Agreement, but such modification or amendment must be signed by both parties, and if not, the contract, as written is binding.

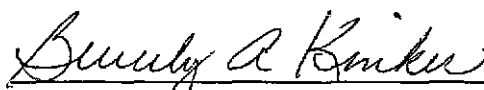

Should any section or clause of this Agreement be declared illegal by a court of competent jurisdiction then that section or clause shall be deleted from this agreement to the extent that it violates the law. The remaining sections and clauses shall remain in full force and effect.

This Agreement shall be effective the first day of July, 2007 and shall continue in effect through June 30, 2009, subject to re-opening negotiations on the following items only: base salary schedule, health insurance including medical, hospital, and major medical, special job stipends, and athletic salary schedule.

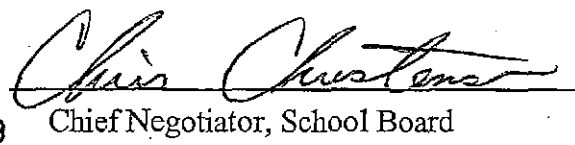

Both Parties agree the first negotiation session to re-open the above items shall be prior to December 15, 2007.

LETTER OF UNDERSTANDING

The **Lenox Education Association** and the **Lenox Community School District** agree to continue the Medical Leave Bank for another two-year period -- the 2007-08 and 2008-09 contract years. This Letter of Understanding shall expire at the end of the 2008-09 contract year unless renewed by the parties. The parties reserve the right to revise the terms of this letter at the end of the 2008-09 contract year. The terms of the agreement are as follows:

Employees who have accrued the maximum number of cumulative sick days (95), may opt to donate up to five (5) days into a certificated employee medical leave bank. Donating days to the medical leave bank shall be on a voluntary basis. A list of certificated employee names donating days to this bank shall be given to the board secretary prior to the first day with students. When a total of ten (10) days have been donated by the certificated employees to the medical leave bank, no further days shall be accepted for the bank. The total number of days available in the medical leave bank per school year shall be ten (10) days. Such a bank may be accessed by certificated employees who have exhausted their own medical, personal, and emergency leave. An individual employee may access the medical leave bank for a maximum of five (5) days per school year. Conditions and processes for accessing the medical leave bank are as follows:

- a. The employee shall submit a written request to utilize medical leave bank days.
- b. A written report shall be submitted from a medical professional as to the continued need for such medical leave.
- c. A team consisting of one teacher from each building (volunteers or appointed by the building principals), both building principals, and the superintendent must agree by simple majority that the request is legitimate and reasonable.
- d. A majority of the board of directors must approve or deny the recommendation from the team.
- e. This Medical Leave Bank is not a part of the collective bargaining agreement directly or indirectly and is therefore not subject to grievance, mediation, or arbitration.

This letter of understanding is agreed to on this 3rd day of May, 2007.
